

**SPRINGDALES SCHOOL  
PUSÁ ROAD & KIRTI NAGAR  
NEW DELHI**

Dear Parents,

4<sup>th</sup> March 2020

In the event of the conditions concerning Corona virus (COVID-19). The school is taking several preventive measures.

This concern has to be addressed through a parent school partnership, which involves us to work together both in school and at home.

- a) All international and domestic trips have been cancelled / postponed including day trips / movies / picnics etc, where there is a large gathering of people.
- b) It is also advised that parents should refrain from travel, unless it is an emergency.
- c) Please avoid crowded places during festivals.
- d) We live in a virtual world, which allows us to interact and connect without direct contact.
- e) Any student who is suffering from respiratory issues, influenza, cold, cough, fever or any other unexplained illness should refrain from attending the school and should send a medical certificate. The same goes for any family member, if they have any of above symptoms the school should be informed.
- f) Exam / test, if any will be rescheduled accordingly.
- g) Family / friends coming from abroad should be advised.
- h) The school has already sent advisories and messages regarding preventive measures. Please refer to the same on the website.
- i) **We will be fumigating the premises on a weekly basis starting this Saturday i.e. 7<sup>th</sup> March, the school will remain closed for fumigation on the above date.**

Springdales is a family school that will support you in all eventualities. Please feel free to contact me at [ameetam@gmail.com](mailto:ameetam@gmail.com) to address any concern that you may have.

Keep the faith!!!

Warm regards

**Dr. Ameeta Mulla Wattal**  
Principal
